Executive summary

1. Contribution to GDP above world average

- Based on the India Tourism Data Compendium 2025 by the Ministry of Tourism, the sector contributes 5.22% to India's GDP (total impact), with a direct share of 2.72%. It also supports 13.34% of total employment, with a direct employment share of 5.82%, reflecting its strong role in livelihood generation and inclusive development.
- As per provisional National Accounts Statistics 2025 estimates, the tourism sector contributed Rs. 15.73 lakh crore (US\$ 177.4 billion) to India's GDP. This reflects the sector's strong economic role in India.

2. Lighthouse & Cruise Tourism

- In March 2026, the Government of India announced the development of four riverine lighthouses on the Brahmaputra as tourism destinations featuring museums, amphitheatres, cafeterias and recreational facilities.

3. Creating employment

- In 2023–24, the travel and tourism sector in India generated approximately 84.63 million jobs (including both direct and indirect employment).
- Odisha is promoting a culture-based “Orange Economy” to generate employment through tourism and heritage-led development.

6. New visa reforms

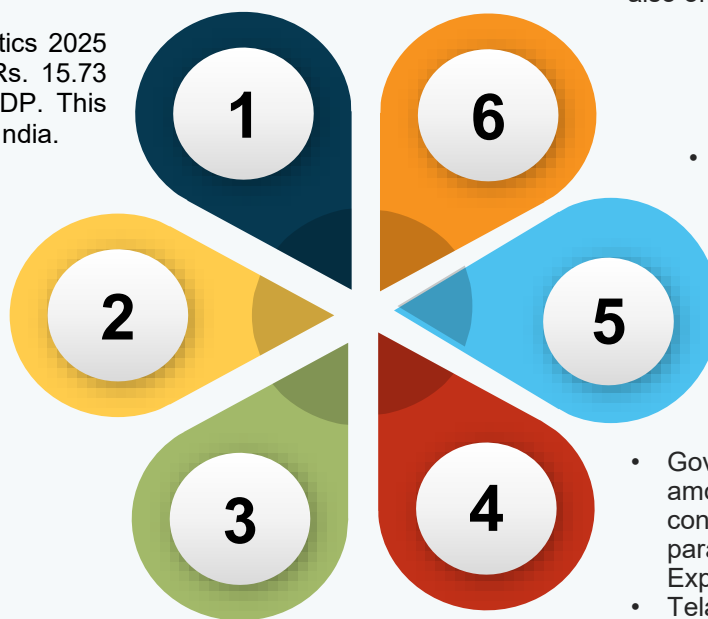

- The E-Visa facility with ETA is currently available to nationals of 172 countries for entry through 32 designated international airports and six major seaports.
- Visa reforms include a significantly expanded Golden Visa scheme, a five-year Green residency and new entry permits, including one for job seekers. The new system also offers additional benefits to sponsor family members.

5. New policy rollout plan

- GST reduction on hotel stays under Rs. 7,500 (US\$ 84.6) to 5% is expected to fuel growth in the hospitality sector, boosting domestic travel and helping India move towards a US\$ 1 trillion hotel industry contribution to GDP by 2047.

4. Higher investment

- Government of India has sanctioned 40 projects amounting to Rs. 3295.76 crores (US\$ 362 million) in consultation with the State Governments on the given parameters and have been funded by the Department of Expenditure.
- Telangana's tourism sector attracted Rs. 15,000 crore (US\$ 1.69 billion) investments across 31 projects under its new Tourism Policy (2025–2030). Initiatives include developing tourism clusters and positioning Hyderabad as a weekend tourism capital catering to IT professionals' travel demand.
- India's tourism and hospitality sector poised to reach nearly US\$ 60 billion by 2028, driven by domestic and international traveler spending expected to triple by 2034.

Advantage India

1. Diverse attractions

- ▶ India is expanding its tourism portfolio through mountain, eco-nature, turtle, and bird-watching trails, and heritage destination development to attract varied global traveler segments.
- ▶ Events such as Bharat Parv and International Tourism Mart highlight India's cultural richness, regional diversity, and niche tourism offerings, strengthening the country's positioning across leisure, spiritual, and experiential travel.
- ▶ The transformation of 15 archaeological sites into experiential destinations and the promotion of North-Eastern tourism are enhancing India's cultural landscape.

2. Robust demand

- ▶ WTTC has revealed that international visitor spend in India reached a record Rs. 3,10,000 crore (US\$ 36.05 billion) in 2024.
- ▶ India's expanding middle class and young, digitally engaged population are positioning the country as a key driver of global leisure travel growth, according to a report published by BCG in June 2025.
- ▶ Indian hotels are tapping into the wellness tourism boom, with wellness tourism projected to be a US\$ 1.3 trillion global market by 2025. In India, wellness tourism is growing strongly, driven by health awareness and lifestyle shifts post-pandemic, with a focus on wellness packages that have boosted occupancy by 36% in some properties.

4. Policy support

- ▶ Government initiatives like Swadesh Darshan 2.0, PRASHAD, and CBDD are strengthening tourism infrastructure through sustainable destination development, improved connectivity, and enhanced visitor experiences across thematic circuits nationwide.
- ▶ Union Budget 2026–27 focuses on thematic tourism trails, Buddhist circuits, heritage site revitalization, and the development of five regional medical tourism hubs to position India as a global tourism destination.
- ▶ In May 2026, the Telangana government launched multiple tourism promotion campaigns, including the “Timeless Telangana” digital outreach initiative and the “Prabhata Bheri” awareness campaign, to enhance destination visibility and visitor engagement.

3. Attractive opportunities

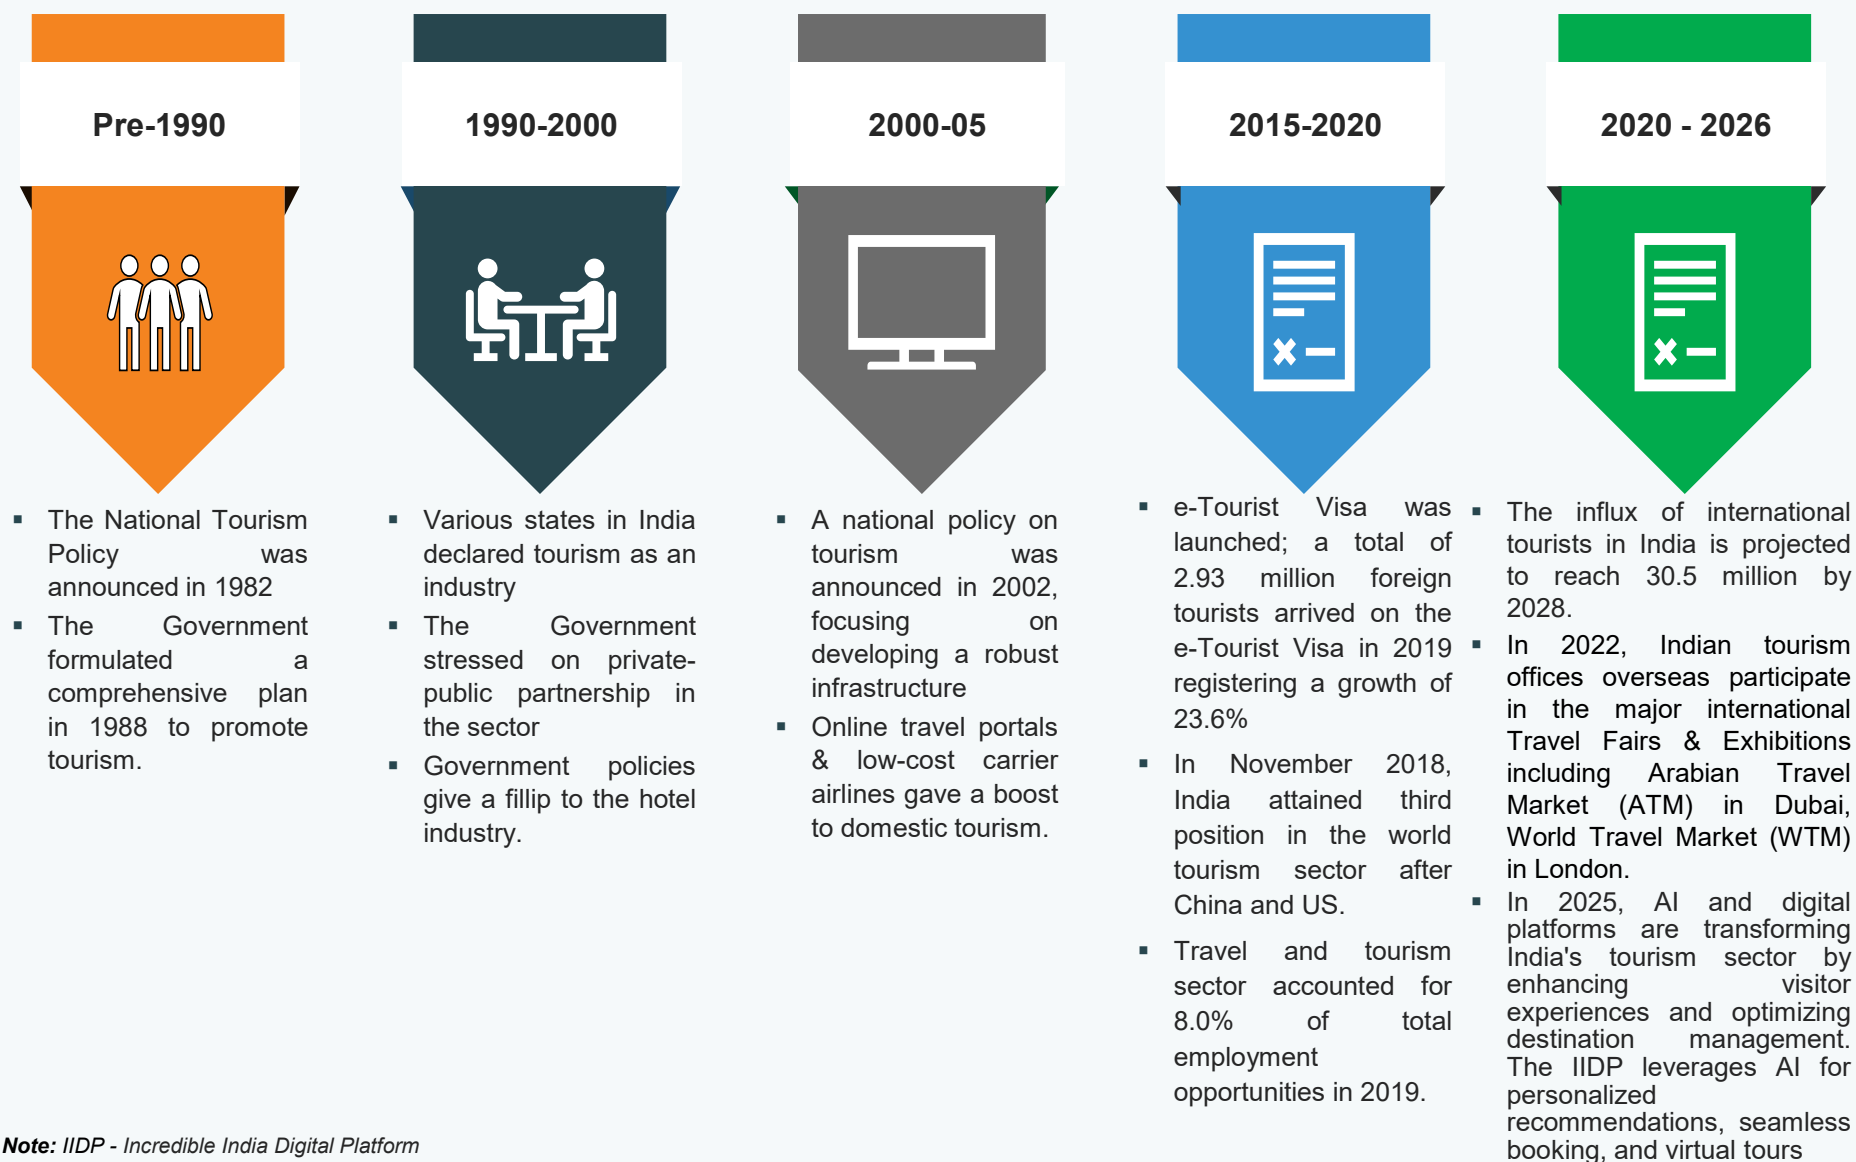

- ▶ Expansion of medical tourism hubs, MICE promotion through the ‘Meet in India’ strategy, and digital MICE catalogues across 60+ cities are creating new investment avenues and global business travel opportunities.
- ▶ In April 2026, Nomura stated that India's hospitality sector has entered a “golden cycle”, supported by sustained growth in average room rates, strong investment returns and attractive valuations.

Evolution of the Indian tourism and hospitality sector

Note: IIDP - Incredible India Digital Platform

Segments of tourism and hospitality

Source: Dun and Bradstreet's Report on Tourism in India

Emerging tourism and hospitality segments

1. Rural tourism

- Rural tourism in India is rapidly evolving with government initiatives like Swadesh Darshan focusing on infrastructure and sustainable development, spotlighting destinations such as Majuli, Khonoma, and Pipili, and is projected to become a significant part of the tourism industry in the coming years.

2. Spiritual tourism

- Religious tourism in India contributes an average spend of Rs. 3,02,728 (US\$ 3,470)* per traveler and remains a significant segment of the tourism economy.
- Age-wise Foreign Tourist Arrivals (FTAs) in 2024 indicate broad appeal across age groups, with the highest shares from the 35–44 (20.67%) and 45–54 (20.24%) segments. Significant contributions from the 55–64 and 65+ age groups suggest a growing interest among senior travelers, likely drawn by India's wellness, heritage, and spiritual tourism offerings.

3. Eco-tourism

- Projected to achieve a growth rate of 15.7% from 2019 to 2027, reaching a valuation of US\$ 4.55 billion, India presents distinctive destinations, opportunities for wildlife exploration, and untouched natural areas of pristine beauty.

4. Luxury tourism

Luxury travelers have the highest average spend per person as per the Skift-FICCI report at Rs. 3,52,656 (US\$ 4,041)*, the total revenue generated by this segment stands at Rs. 86,324 crore (US\$ 10.1 billion)*. The luxury travel market in India is expected to grow at rate of 9.8% during 2024-30, reaching Rs. 10,73,785 crore (US\$ 123.7 billion) by CY30.

7. Adventure tourism

- In April 2026, Rishikesh strengthened its position as a leading adventure tourism destination, attracting visitors with activities such as river rafting, bungee jumping and trekking.

6. Medical tourism

- The medical tourism sector in India is valued at US\$ 8.71 billion in 2025 and is projected to nearly double to US\$ 16 billion by 2030 with a CAGR of 13.23%. India is recognized for building a holistic medical tourism ecosystem offering affordable and high-quality care.
- The Union Budget 2026–27 introduced a Scheme to Support States in establishing five Regional Medical Hubs, aimed at promoting India as a global destination for medical and wellness tourism.

5. Heritage tourism

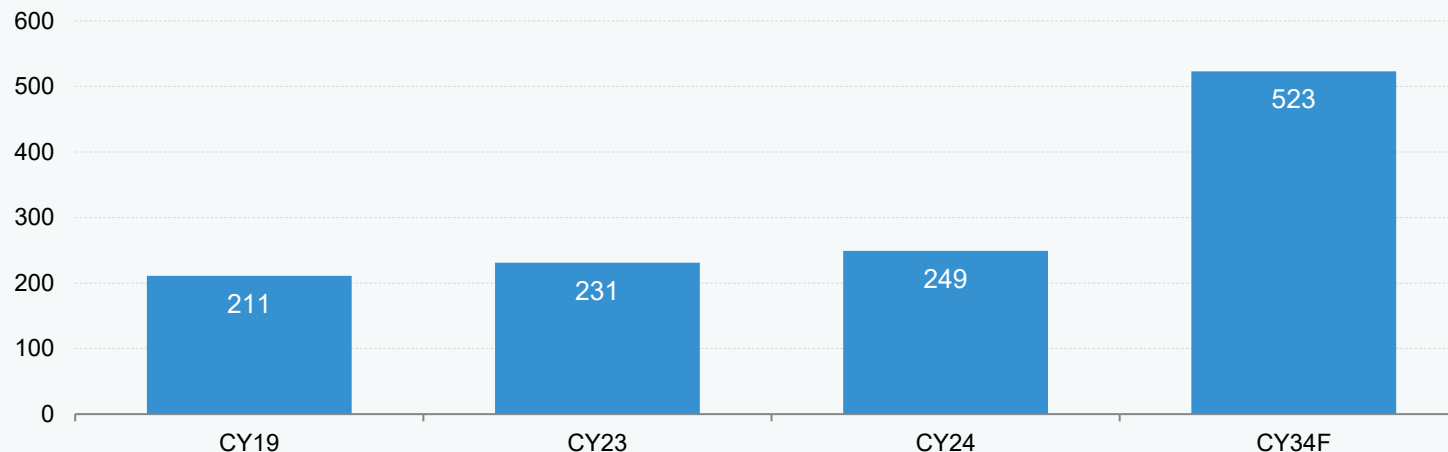

- Cultural and heritage tourism is the top revenue generator as per the Skift-FICCI report with an estimated potential of Rs. 1,87,179 crore (US\$ 21.9 billion), attracting 59% of surveyed travelers.
- Variations in the customs, traditions and philosophy ingrained behind each state of India, heritage tourism is a potential proponent for the upliftment of local economies.

*Note: * - Data as of February 2025, CAGR - Compound annual growth rate*

Rising contribution to India's GDP

Total GDP contribution by tourism sector (US\$ billion)

- Government initiatives, such as the 2047 Vision, aim to attract 100 million inbound tourists by 2047.
- India's Travel & Tourism sector contributed Rs. 20,19,000 crore (US\$ 249.3 billion) to the GDP in 2024, marking a 20% increase since 2019 and making up about 6.6% of the country's economy.
- The WTTC projects growth to Rs. 22,50,000 crore (US\$ 268.7 billion) in 2025. By 2035, this sector is anticipated to almost double to Rs. 41,90,000 crore (US\$ 501.1 billion), accounting for an estimated 10.9% of the national GDP.
- This growth is expected to be driven by tourism-related infrastructure developments such as smart mobility, high-speed rail, and airport expansions, alongside the rise of small and medium tourism enterprises.
- Tourism has also become a key source of employment, supporting a record 46.5 million jobs in 2024 representing 9.1% of India's total employment. The WTTC projects this number to exceed 48 million in 2025 and approach nearly 64 million by 2035.

Foreign arrivals post pandemic

- Indian airlines and hotels are progressively accommodating pet owners, experiencing a notable surge in flight and accommodation bookings, which have risen by double digits in FY25. Industry data indicates that pet-related bookings for flights and hotels have increased year-over-year by between 26% and 43%.
- International Tourist Arrivals (ITAs) surpasses pre-pandemic levels and expected to reach 20 million by 2025, domestic tourism remains a key driver, with over three billion visits anticipated. Segments like MICE and luxury tourism are also expected to expand, attracting high-spending tourists to metropolitan and heritage sites and cities.
- In 2025 (January–December), Foreign Exchange Earnings (FEEs) revised data from tourism in India stood at Rs. 2,76,831 crore (US\$ 31.69 billion), reflecting a steady inflow of international tourism revenues.
- India accounts for 1.5% of international tourist arrivals. According to the World Travel and Tourism Council (WTTC) 2024-25 report, India is the eighth largest tourism economy, contributing US\$ 231.6 billion.
- The G-20 Presidency will give India's tourism sector an unparalleled opportunity to highlight India's tourism offerings and share India's tourism success stories on a global stage.
- By 2028, Indian tourism and hospitality is expected to earn US\$ 50.9 billion as visitor exports compared with US\$ 28.9 billion in 2018.
- In April 2026, the USA (14.28%), UK (11.04%) and Bangladesh (7.38%) emerged as the leading source markets for foreign tourists visiting India. Australia and Canada also remained key contributors, reflecting India's diversified inbound tourism base.
- Visitor experience is enhanced through capacity building and skill development programs such as Capacity Building for Service Providers, Incredible India Tourist Facilitator (IITF), Paryatan Mitra, and Paryatan Didi.
- On October 31, 2025, Goa's tourism sector saw a 6.23% rise in tourist arrivals during the 2025-26 season, with new international flights and sustainable tourism policies boosting arrivals, as reported by the local tourism minister.

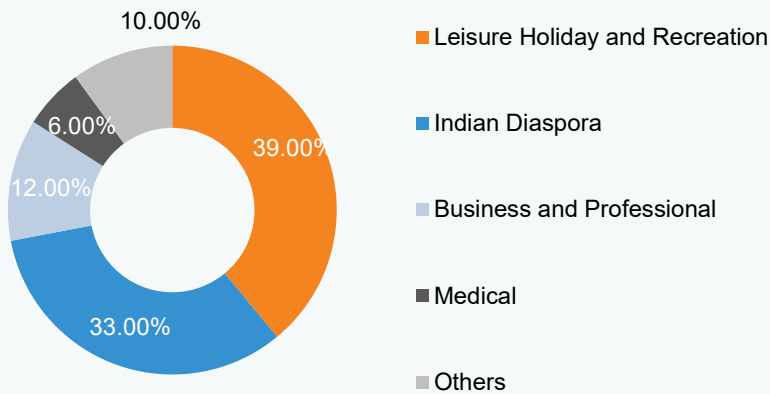

Foreign tourists arriving in India (million)

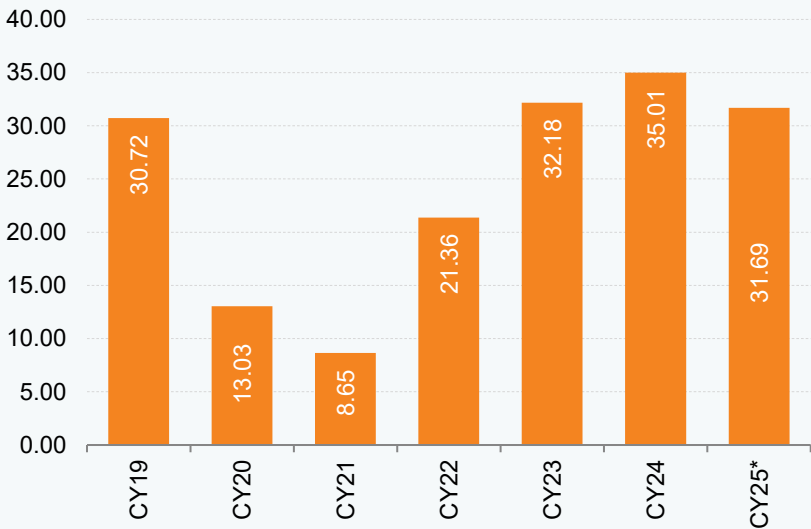

CY25 (Revised Data January-December)

Leisure Holiday and Recreation was the major purpose for foreign tourists

Foreign Tourist Arrivals – By Purpose of Visit 2025

Foreign Exchange Earnings (FEEs) in US\$ billion

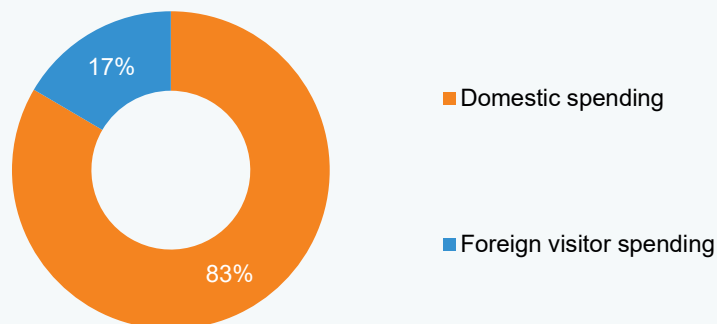

- During July–September, India received around 1,44,000 foreign tourist arrivals for medical purposes, reflecting steady demand for affordable healthcare and wellness services. Asia & Pacific and Africa remained key contributors, highlighting India’s growing position as a global medical tourism destination.
- The Ministry of Tourism, India, has undertaken the ‘NamasteIndia’ Campaign, intending to encourage International visitors to travel to India.
- In April 2026, India recorded 5.34 lakh Foreign Tourist Arrivals (FTAs), reflecting continued international travel demand across leisure, business and diaspora segments. Leisure travel accounted for the largest share of arrivals at 35.6%, highlighting India’s growing appeal as a global tourism destination.
- Indian overseas travel data shows a sharp uptick in leisure travel by Indians abroad, with leisure travel making up 42.52% of foreign departures by Indians in 2024. This underscores leisure travel as a growing segment, both inbound and outbound, for India.

Domestic consumers to lead growth

Share of Tourists by Expenditure (2024)

Expected share of tourists by expenditure (2028F)

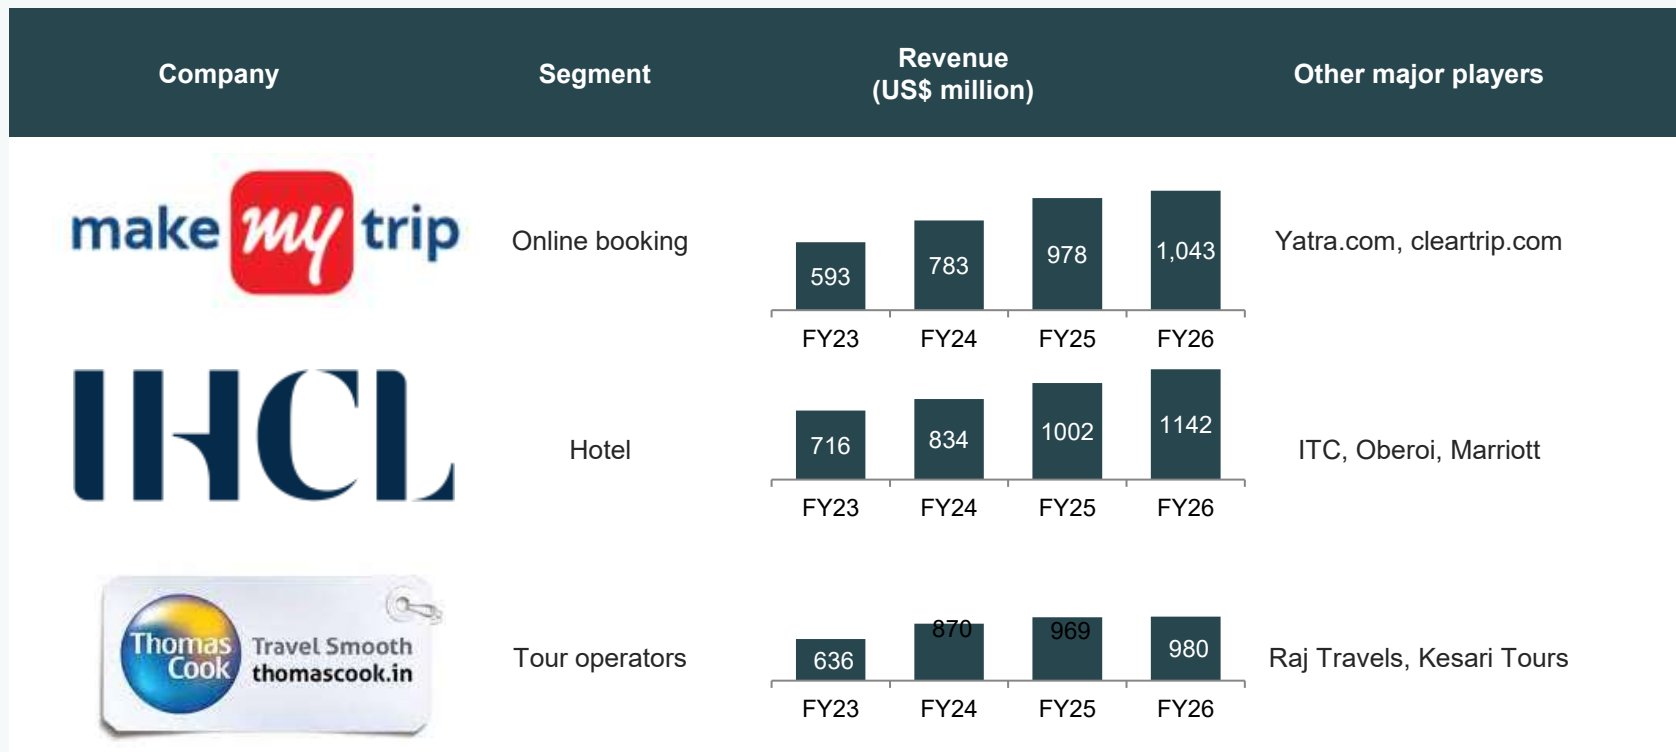

- In April 2026, Delhi remained India's largest international gateway, handling 39.2% of foreign tourist arrivals, followed by Mumbai (18.5%). Major metro airports continued to play a crucial role in facilitating inbound tourism and strengthening international connectivity.
- In 2024, domestic visitor spending reached Rs. 15,50,000 crore (US\$ 185.60 billion), 22% higher than 2019 levels. This is projected to rise further to Rs. 16,80,000 crore (US\$ 200.17 billion) in 2025, fueled by younger demographics, higher disposable incomes, and a stronger post-pandemic preference for local exploration.
- International visitor spending in India rose to Rs. 3,10,000 crore (US\$ 36.80 billion) in 2024, up from Rs. 2,80,000 crore (US\$ 33.10 billion) in 2019 and is projected to reach Rs. 3,20,000 crore (US\$ 37.47 billion) in 2025.
- Domestic travel is anticipated to further increase to US\$ 405.8 billion by 2028F.
- India as a 360-degree destination was promoted by the Ministry of Tourism to the international travel industry through participation in major international travel exhibitions like Arabian Travel Mart, Dubai and World Travel Market, and London, etc.
- Domestic tourism has become the cornerstone of India's hospitality growth, contributing nearly 88% of total tourism spending. Urban Indians increasingly prefer shorter, experience-led breaks like wellness and adventure tourism. This regional travel focus is expanding new markets in Tier-II and Tier-III cities and driving infrastructure development.

Note: F- Forecasted

Major companies across segments

The value of the travel and tourism sector's contribution to the Indian economy in 2022 was Rs. 15.7 lakh crore (US\$ 190 billion), according to figures from the World Travel & Tourism Council (WTTC).

Source: Respective company website

Notable trends in the tourism industry in India...(1/2)

1. Lighthouse Tourism

- In FY24 alone 75 dedicated lighthouses attracted an impressive 16 lakh visitors, a rise of more than 400% footfall of tourists from four lakhs in 2014.
- As of September 2024, over 10 lakh visitors had been recorded, with more than 5,00,000 tourists visiting the lighthouses between April and June 2024. This reinforces the vision of transforming these iconic maritime landmarks into vibrant tourist hotspots, as outlined by Prime Minister Mr. Narendra Modi.

2. Wellness tourism/ Staycation

- The global wellness tourism market is valued at US\$ 954.14 billion in 2024 and is expected to grow to US\$ 2,054.9 billion by 2034, at a CAGR of 7.97%.
- Age-wise Foreign Tourist Arrivals (FTAs) in 2024 indicate broad appeal across age groups, with the highest shares from the 35–44 (20.67%) and 45–54 (20.24%) segments. Significant contributions from the 55–64 and 65+ age groups suggest a growing interest among senior travelers, likely drawn by India's wellness, heritage, and spiritual tourism offerings.
- A joint report by the Ministry of Tourism and NITI Aayog estimates wellness tourism alone could contribute US\$ 18 billion to India's GDP by 2030, highlighting growth in specialized tourism segments.

3. Cruises

- Anticipated growth in cruise passenger traffic from 0.4 million to four million by 2032 signifies a substantial rise in economic potential, soaring from US\$ 110 million to US\$ 5.5 billion.
- River cruise tourism on India's National Waterways witnessed strong growth, with the number of cruise voyages increasing from 371 in FY24 to 443 in FY25, reflecting rising demand for inland waterway tourism.

5. Camping sites

- Promotion of camping sites have been encouraged with adequate acknowledgement of its adverse effects on the environment.
- The revenue of India's camping market is projected to reach Rs. 6,346 crore (US\$ 742.54 million) by 2025. It is further expected to grow at an annual rate of 14.32% between 2025 and 2030, taking the market volume to Rs. 12,393 crore (US\$ 1.45 billion) by 2030.
- The Ministry of Tourism has created a policy for development and promotion of caravan and caravan camping parks.

4. Adventure

- India aims to turn the adventure tourism to US\$ 800 billion market by 2047.
- The Odisha government signed MoUs with the Indian Mountaineering Foundation and the Aero Club of India to strengthen safety standards and promote investment in adventure tourism. The launch of the 'Go-Adventure' portal aims to streamline licensing, boost ease of doing business, and position Odisha as a leading adventure tourism hub in eastern India.

Notable trends in the tourism industry in India ...(2/2)

2. Airlines

- India's domestic aviation sector carried 1,669.46 lakh passengers during January–December 2025, reflecting a 3.48% annual growth over the previous year. The steady rise in air travel highlights improving domestic tourism demand supported by better connectivity and rising discretionary spending. Growth in passenger traffic is expected to further strengthen regional tourism and support the expansion of leisure and business travel across the country.
- In the last five years, the number of airline passengers increased from 60 million in 2013-14 to 145 million, and 400 million passengers are expected to travel by 2027.

1. Hotels

- As per JLL's Hotel Investment Trends in India 2025 report, hotel investment activity in India increased by 67% year-on-year to Rs. 4,933 crore (US\$ 567 million) across 28 transactions in CY2025, reflecting strong investor confidence in the hospitality sector.
- The Indian hotel market, including domestic, inbound, and outbound, was estimated at ~US\$ 32 billion in FY20 and is expected to reach ~US\$ 52 billion by FY27.
- GST reduction on hotel stays under Rs. 7,500 (US\$ 84.6) to 5% is expected to fuel growth in the hospitality sector, boosting domestic travel and helping India move towards a US\$ 1 trillion hotel industry contribution to GDP by 2047.

3. Intercity cab and bus

- As per redBus India BusTrack Report 2026, India's intercity bus industry recorded 147.19 million passenger journeys and a gross ticketing value of Rs. 142.16 billion (US\$ 1.63 billion) during October 2025–March 2026, reflecting strong travel demand across the country.

4. Travel Agents

- India's travel market was US\$ 75 billion in size pre-pandemic, expected to cross US\$ 125 billion by FY27.
- Travel booking channels would continue to be dominated by the presence of agents, whose market share is expected to be maintained at a consistent 50%+ between FY20-27, translating into a cumulative booking value of US\$ 65 billion in FY27.

Strategies adopted...(1/3)

PROMOTION OF DOMESTIC TOURISM

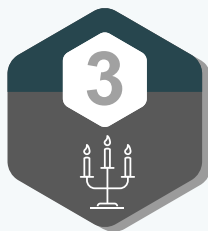

- At least 50 destinations will be selected and developed as a complete package of tourism, announced by the Union Minister for Finance & Corporate Affairs Ms. Nirmala Sitharaman. These destinations will be selected through challenge mode using an integrated and innovative approach while the focus of development of tourism would be on domestic as well as foreign tourists.
- The Union Budget for 2024 places significant emphasis on promoting domestic tourism. Union Minister for Finance & Corporate Affairs, Ms. Nirmala Sitharaman announced plans to provide interest-free loans to states aimed at enhancing tourism within their respective regions.
- In 2023, Government urged states to establish a “Unity Mall” in their state capital or the busiest tourist attraction to promote and sell “One District, One Product”, GI items and other handicraft items.
- Indian Railways to introduce Bharat Gaurav Deluxe AC Tourist Train under ‘Ek Bharat Shrestha Bharat’ Scheme that is in line with the Government of India initiative “Dekho Apna Desh” to promote domestic tourism.
- Sector-specific skilling and entrepreneurship development will be dovetailed to achieve the objectives of the ‘Dekho Apna Desh’ initiative.

MULTIPLE CHANNELS

- With the help of Adobe solution suite, the Ministry of Tourism will now be able to engage effectively with visitors across web and social channels and measure engagement, to deliver real time personalized experiences for each visitor, based on their interest and travel persona.
- Online travel firm MakeMyTrip has rolled out a channel/platform to help offline travel agents digitalize their operational processes and improve customer services.

SPIRITUAL TOURISM

- India offers a plethora of spiritual destinations due to diversity of religions, cultures, and languages.
- Prime Minister Mr. Narendra Modi stated that the "Ganga Pushkarala Yatra," undertaken by the Bharat Gaurav Tourist Train, starting from Secunderabad Railway Station, Telangana, and passing through revered cities like Puri, Kashi, and Ayodhya, will enhance spiritual tourism in India.

Note: SOPs - Standard Operating Procedures, B&Bs - Bed and Breakfasts

Source: PIB

Strategies adopted...(2/3)

DATA ANALYTICS AND ARTIFICIAL INTELLIGENCE

- Data collection can be beneficial for travel businesses to gain a deeper knowledge of their customer base and potential audiences, which can then inform personalized offerings, deliver important tailored news and ensure a smooth and seamless experience customized to their specific needs.
- In 2022, IRCTC introduced AskDISHA 2.0, an Artificial Intelligence and Machine Learning based Chatbot to promote tourism by answering queries pertaining to various travel related services and even help users perform various transactions like end-to-end ticket booking, and more.

DEKHOAPNADESH WEBINAR

- The Ministry of Tourism launched a series of webinars under the “Dekho Apna Desh” Scheme to maintain a dialogue and introduce the citizens to the history, culture, cuisine, heritage, architecture, etc.
- The webinars include glimpses of the culture, heritage, handicrafts, and cuisine of the destinations, in addition to the tourist spots. Concepts of Responsible Tourism, Sustainable Tourism, Accessible Tourism.

M-VISA

- A special type of Visa is launched by the Government of India in 2014 to cater to the medical tourism industry, Indian e-Medical Visa.
- Medical Visa has been introduced, which can be given for specific purposes to foreign travellers coming to India for medical treatment. ‘E-Medical Visa’ has also been introduced for 166 countries.

Note: SOPs - Standard Operating Procedures, B&Bs - Bed and Breakfasts

Source: PIB

Strategies adopted...(3/3)

SAATHI INITIATIVE

- In 2020, the SAATHI initiative with the Quality Council of India was launched to assist the hospitality industry to ensure safety and hygiene for tourists and the workforce.
- This initiative is aligned with Aatmanirbhar Bharat to sensitize the industry on the COVID regulations, and the Government announced Aatmanirbhar Bharat Package vide which Rs. 3 lakh crore (US\$ 36 billion) collateral-free automatic loan has been made available for MSMEs. The loan will have a four-year tenure and a 12-month moratorium.

LIGHTHOUSE TOURISM

- The Government of India has identified 78 lighthouses in the country as centres of tourism, which are in the first phase of Public Private Partnership (PPP).

TOURIST FACILITATOR CERTIFICATION

- The Ministry of Tourism has introduced the Incredible India Tourist Facilitator (IITF) to provide online training and accreditation of the Tour Facilitators through a centralized PAN India e-learning module.
- The first ever IITF Basic Course online exam was conducted in February 2021 for which result was announced in March 2021 for 2,230 successful candidates.

ONE STOP SOLUTION

- With a view to facilitating and extending support to foreign tourists, the Ministry had set up a portal 'Stranded in India' to disseminate information regarding the services that helped tourists get information/details of State / UT Tourism Departments and Regional offices of Ministry of Tourism.

Note: SOPs - Standard Operating Procedures, B&Bs - Bed and Breakfasts

Source: PIB

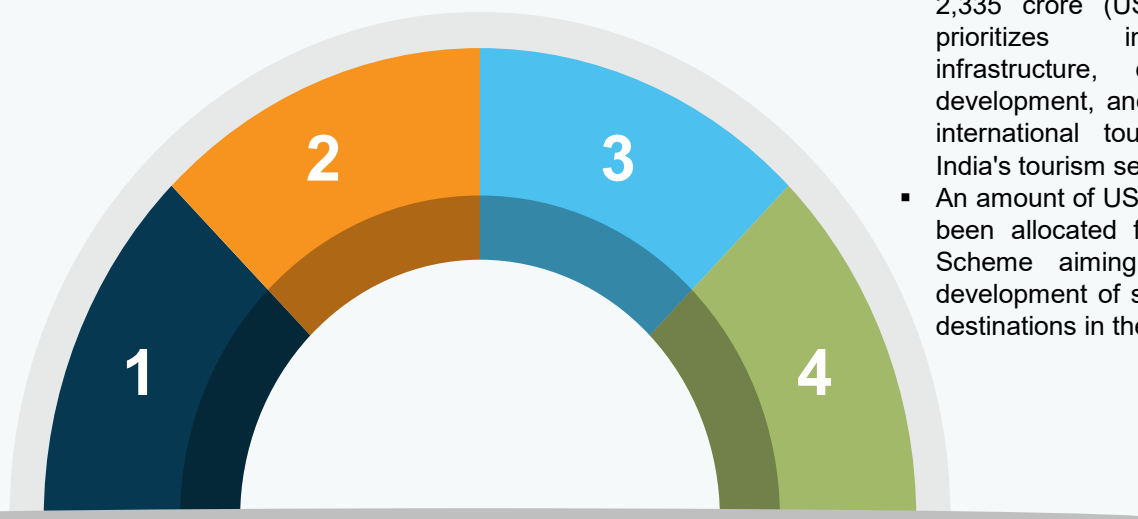

Growth drivers for the tourism market

2. INFRASTRUCTURE

- The Government of India is boosting tourism during the Amrit Kaal through digital initiatives like the revamped Incredible India Content Hub, nationwide promotions, and enhanced global outreach via Indian Missions abroad.
- In April 2026, the Delhi government announced plans to develop a tourism and cultural hub under the 'One State: One Global Destination' initiative with an investment of Rs. 500 crore (US\$ 57.5 million). The project, proposed across nearly 200 acres in Kanjhawla, aims to promote tourism, creative arts, literature and local culture while creating a globally competitive tourism destination in the national capital.

1. RISING FDI

- Cumulative FDI equity inflow in the Hotel and Tourism industry is Rs. 1,22,558 crore (US\$ 19.07 billion) during the period April 2000-March 2026. This constitutes 2.42% of the total FDI inflow received across sectors.
- Andhra Pradesh is expected to announce major tourism investments, including a Foreign Direct Investment (FDI) MoU worth Rs. 1,860 crore (US\$ 209.77 million), projected to create 12,500 new jobs.

Source: Make in India, DPIIT

3. GROWING DEMAND

- In May 2026, Radisson Hotel Group announced plans to expand its portfolio in India to 157-160 hotels with up to 19,500 keys by the end of 2026. The expansion reflects the group's continued focus on India's growing hospitality market, supported by strong development activity across metro as well as tier-II and tier-III cities.
- By 2029, India's tourism sector is expected to reach Rs. 35 trillion (US\$ 488 billion) with a growth of 6.7% and accounting for 9.2% of the total economy.

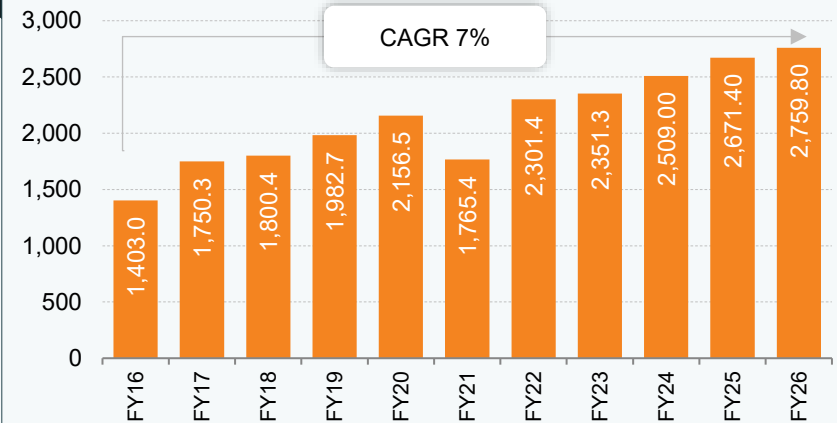

4. POLICY SUPPORT

- The FY27 Ministry of Tourism Budget, with an allocation of Rs. 2,335 crore (US\$ 253.8 million), prioritizes investments in infrastructure, connectivity, skill development, and the promotion of international tourism to enhance India's tourism sector.
- An amount of US\$ 30.25 million has been allocated for the PRASHAD Scheme aiming for the holistic development of selected pilgrimage destinations in the country.

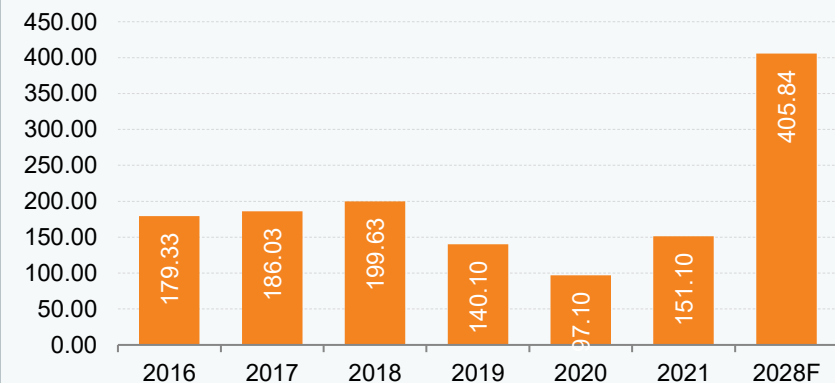

Rising income and changing demographics boosting demand

- India has a robust domestic market which could soften the impact as compared with nations that rely largely on international tourists.
- Real GDP is likely to grow by 7.8% in Q1 of FY26 vs. 6.5% in Q1 of FY25. By 2030, India is set to become the world's third-largest economy with a projected GDP of US\$ 7.3 trillion.
- WTTC is forecasting another record-breaking year for India's Travel & Tourism sector with its economic contribution set to reach over Rs. 22,00,000 crore (US\$ 257.40 billion) in 2025, whilst employment in the sector is expected to reach more than 48 million.
- As per the latest data released by the Ministry of Statistics and Programme Implementation (MoSPI), India's per capita income is estimated to increase to Rs. 2,43,803 (US\$ 2,759.8) in FY26 from Rs. 2,25,896 (US\$ 2,671.4) in FY25, reflecting a growth of 7.9%.
- India's tourism and hospitality revenues are projected to cross Rs. 5,15,483 crore (US\$ 59 billion) by 2028, with domestic tourism driving growth.
- Domestic visits are expected to rise from 2.5 billion in 2024 to 5.2 billion by 2030, while spending could nearly triple to Rs. 33,95,000 crore (US\$ 388.58 billion) by 2034.
- In FY26, international passenger traffic increased by 4.2% to 80.64 million passengers, while domestic passenger traffic rose by 1.4% to 339.45 million passengers.
- As of 2025, branded hotels account for only 11% of total supply, with luxury hotels earning 117% higher revenue than upscale and 298% more than midscale properties, indicating strong growth opportunities.
- Weddings, MICE tourism, and premium Food & Beverage revenues remain key growth drivers, with destination weddings generating significant income for luxury hotels.
- Infrastructure expansion with 220 new airports planned by 2025 and rapid hotel chain expansion are strengthening India's position as a high-value global tourism destination.

Tourism policies and initiatives boosting the industry... (1/9)

Swadesh Darshan

- Ministry of Tourism launched the Swadesh Darshan Scheme to promote the country's integrated development of thematic tourist circuits.
- The Ministry of Tourism launched the Swadesh Darshan Scheme to develop theme-based tourist circuits, sanctioning 76 projects. Upgraded to Swadesh Darshan 2.0 (SD 2.0), it targets sustainable tourism, selecting 57 destinations for development, with States/UTs preparing plans accordingly.

PRASHAD

- National Mission on Pilgrimage Rejuvenation and Spiritual, Heritage Augmentation Drive (PRASHAD) launched by the Ministry of Tourism as a Central Sector Scheme with the objective of integrated development of the identified pilgrimage and heritage destinations.
- The Prime Minister Mr. Narendra Modi inaugurates and unveils 52 tourism sector projects valued at over Rs. 1,400 crore (US\$ 168.5 million) under the Swadesh Darshan and PRASHAD Scheme.
- Since its launch in January 2015 and Ministry has sanctioned 37 projects in 24 states with an estimated expenditure of US\$ 146.4 million and a cumulative amount of US\$ 82.2 million has been released for these projects

NIDHI

- Ministry of Tourism launched the National Integrated Database of Hospitality Industry (NIDHI) scheme in 2020 serving as a common repository of data about unclassified tourist accommodation units in the country and assists States/UTs to develop policies and strategies for promotion and development of tourism at various destinations.
- This scheme helps tourists to find information on places for accommodation at any destination, assess the carrying capacity of various destinations, assess requirements for skilled human resources, facilitate preventive action and place adequate safety measures.

Tourism policies and initiatives boosting the industry... (2/9)

SAATHI INITIATIVE

- Ministry of Tourism has partnered with the Quality Council of India (QCI), to assist the Hospitality Industry in their preparedness to continue operations safely and mitigate risks arising out of the COVID-19 pandemic through an initiative called SAATHI (System for Assessment, Awareness and Training for Hospitality Industry).
- A hotel/unit goes through the SAATHI framework and agrees to fully follow the requirements wherever applicable possible, and a self-certification is issued. Self-certified Hotel/units attend webinars to clarify doubts through live interactions.
- If Hotel/unit desires, they may undertake site-assessment based on SAATHI framework through QCI accredited agencies and an assessment report with opportunities for improvement is shared with the assessed unit.

MARKET DEVELOPMENT ASSISTANCE

- MDA Scheme launched by the Ministry of Tourism for the revival and revitalization of domestic tourism sector.
- As per the modified guidelines of MDA dated November 28, 2020, financial support will be extended to the tourism service providers for undertaking the promotional activities within the country such as participation in domestic travel fairs, participation in tourism related, participation in road shows in different regions of the country and for online promotion of tourism destinations and products, tour packages in the domestic market.
- Apart from this, financial support will be extended to tourism departments of State Governments/UT Administrations for undertaking the promotional activities within the country.

Tourist Police

- Ministry of Tourism organized a National Conference of DGs/IGs of Police Department of the State/UT Administration on October 19, 2022, at New Delhi to implement the uniform Tourist Police Scheme at pan India level.
- In April 2026, the Gujarat government announced the establishment of dedicated tourist police stations in Gir Somnath, Devbhumi Dwarka and Dang to enhance visitor safety and improve tourist services.

State Initiatives to Promote Tourism

There is stiff competition among tourism boards from across the country to woo domestic travellers, with an increasing number of people opting for local destinations. Key recent developments by state tourism departments are as follows:

Jammu & Kashmir:

- In February 2026, the Jammu & Kashmir government reported spending over Rs. 76 crore (US\$ 8.7 million) on tourism promotion during FY25 and FY26 (till January 2026). The initiatives included digital marketing campaigns, participation in national and international travel marts, promotion of the Shri Amarnath Ji Yatra, and investments in winter sports infrastructure to enhance tourist footfall across the Union Territory.
- The Travel Agents Association of India (TAAI) launched the national campaign “Let’s Visit J&K” in mid-2025 to revitalise and boost tourism in Jammu and Kashmir.
- In mid-2025, Jammu and Kashmir Chief Minister Mr. Omar Abdullah committed to upgrading tourism infrastructure and boosting visitor confidence, highlighting projects like the Gulmarg gondola and the world’s highest railway bridge.

Uttarakhand:

- In June 2025, the Indian Hotels Company Limited (IHCL) partnered with the Government of Uttarakhand and other stakeholders to establish a state-of-the-art hospitality skill-training centre in Nainital aimed at empowering local youth with industry-relevant training and promoting inclusive growth in the region’s tourism economy.
- In March 2025, Prime Minister Mr. Narendra Modi called for transforming Uttarakhand into a year-round tourism destination by eliminating the off-season and promoting diverse seasonal attractions, highlighting initiatives like the Kedarnath and Hemkund ropeways to enhance accessibility and boost the state’s economy.
- In 2025, Mr. Harshal Dilwali, CEO of Clarissa Group, highlighted tourism as a rising pillar of Uttarakhand’s economic development, emphasising the sector’s potential to create jobs, attract investments, and support sustainable growth through enhanced infrastructure and diversified offerings.

Kerala:

- The Kerala government has rolled out unique social media campaign where participants could win holiday packages at the lowest possible prices.
- In August-September 2025, Kerala’s Kadamakkudy Tourism offers a special Onam cruise exclusively for Indian visitors, featuring backwater tours, authentic local cuisine, and island adventures to celebrate the harvest festival.

State Initiatives to Promote Tourism

Kerala:

- In 2025, Kerala plans to revolutionise work and travel tourism by introducing the 'Startup Pod,' a unique integrated workspace and travel experience aimed at attracting remote workers and entrepreneurs to blend productivity with leisure.
- In August 2025, Kerala's Wedding and MICE Conclave concluded in Kochi on August 16 with industry stakeholders calling for a dedicated policy framework to position Kerala as the country's foremost destination in this fast-growing segment, with the three-day event (August 14-16) generating 6,623 business meetings and highlighting the need for MICE Promotion Bureaus in major cities starting with Kochi.
- Announced in August 2025, the Kerala government has launched a 4% interest loan scheme under its women-friendly tourism initiative, in collaboration with the Kerala State Women's Development Corporation and the Responsible Tourism Mission, to support women entrepreneurs in the tourism sector
- On July 8, 2025, Kerala's Tourism Minister Mr. P.A. Mohamed Riyas announced that the State will implement a Gender Inclusive and Women-Friendly Tourism Policy, developed with the Kerala Responsible Tourism Mission Society and UN Women India, to support newcomers especially women in tourism, building on a 2022 initiative where 17,631 women had joined with enterprises such as tour units, homestays and souvenir units; the policy includes gender and safety audits, completed in six centres and 68 tourism spots, and will provide guidelines for participation, safety, workplace practices, and inclusive infrastructure
- On 28 May 2025, Kerala's Department of Tourism issued an Expression of Interest for certified helicopter operators to launch heli-tourism services connecting key destinations such as Kochi, Thekkady, Munnar, Kumarakom, Vagamon and Bekal under the Cabinet-approved heli-tourism policy of December 2024.

Tamil Nadu:

- Tourism revenue in Tamil Nadu's TTDC surged fivefold from Rs. 49.11 crore (US\$ 5.6 million) in FY21 to Rs. 243.31 crore (US\$ 27.8 million) in FY24, propelled by significant increases in both domestic and foreign arrivals.
- On July 19, 2025, Chennai Metro Rail Limited (CMRL) initiated feasibility studies and issued EOIs for ropeway-based transport systems in key Tamil Nadu tourist destinations including a proposed 2 km aerial link connecting Mahabalipuram's new bus terminal to the Shore Temple and similar projects under consideration for Ooty and Kodaikanal as part of the state's budget-backed tourism infrastructure boost.

State Initiatives to Promote Tourism

Tamil Nadu

- In the Union Budget 2025–26 budget presented on March 14, 2025, Tamil Nadu earmarked Rs. 12,984 crore (US\$ 1.48 billion) for the transportation sector and announced the establishment of a new airport in Rameswaram to enhance connectivity and boost tourism.
- In August 2025, the Tamil Nadu Tourism Development Corporation identified seven new sites including Poondi reservoir, Kolli Hills and Yelagiri for adventure and eco-camping tourism and issued EOIs to develop facilities such as tents, glamping huts, tree houses and activities like ziplining, rock climbing and water sports under sustainable practices.
- By August 2025, Tamil Nadu had recorded 306 million domestic tourist arrivals in CY 2024, up from 286 million in CY 2023, and is targeting at least 5% YoY growth in inbound tourism to reclaim its top-ranked status by 2030, with a focus on ASEAN markets and a Rs. 100 crore (US\$ 11.4 million) budget allocation for developing lesser-known destinations.

Gujarat

- In March 2026, the Gujarat government approved tourism development projects worth Rs. 28.68 crore (US\$ 3.12 million) to strengthen spiritual and heritage tourism across the state. The initiatives include the development of Harshad Mata Temple, upgrades at Uparkot Fort in Junagadh, restoration of the historic Gandhi Ashram in Godhra, and support for the cultural promotion of the Dang Darbar 2026 festival.
- On August 20, 2025, Gujarat's Tourism Minister Mr. Jayantilal Shah chaired a road-show summit in Ahmedabad attended by over 150 tour operators to showcase the state's heritage circuits, eco-tourism packages and new infrastructural offerings aimed at boosting inbound and domestic travel.

Andhra Pradesh

- In May 2026, the Andhra Pradesh government launched the year-long "Holiday in Andhra Pradesh" campaign to position the state as a leading tourism destination in India.
- On August 19, 2025, Andhra Pradesh Tourism Minister Mr. Kandula Durgesh submitted detailed project reports worth Rs. 270 crore (US\$ 31 million) to Union Minister of Tourism, Mr. Gajendra Singh Shekhawat, including proposals for a Rs. 103 crore (US\$ 11.8 million) Cultural Centre in Lepakshi, a Rs. 99.87 crore (US\$ 11.4 million) Experience Centre in Lambasingi, and Rs. 77.32 crore (US\$ 8.8 million) Tent Cities near Buddhist Circuit sites, with strong support assured for preserving cultural heritage and boosting tourism.
- In July 2025, Andhra Pradesh Tourism Authority partnered with Justa Hotels and Resorts to develop boutique and premium hospitality projects across the state, aiming to enhance tourism infrastructure beyond pilgrimage sites by leveraging Justa's expertise in hotel development, management, and marketing.

State Initiatives to Promote Tourism

Maharashtra

- In May 2026, the Maharashtra government announced plans to develop 100 tourism sub-circuits across the state with an investment of Rs. 2,500 crore (US\$ 271.7 million) over the next five years. The initiative aims to strengthen tourism infrastructure, promote heritage, pilgrimage and culinary tourism, and generate employment through balanced regional tourism development.
- The Government of Maharashtra has announced an investment of Rs. 250 crore (US\$ 27.6 million) to rejuvenate and develop 50 tourism destinations across the state. The initiative focuses on upgrading infrastructure, enhancing visitor amenities and promoting sustainable tourism practices. The project aims to strengthen Maharashtra's positioning as a global tourism hub by showcasing its cultural heritage, natural landscapes, and eco-tourism potential.

Odisha

- The Odisha government signed MoUs with the Indian Mountaineering Foundation and the Aero Club of India to strengthen safety standards and promote investment in adventure tourism. The launch of the 'Go-Adventure' portal aims to streamline licensing, boost ease of doing business, and position Odisha as a leading adventure tourism hub in eastern India.

Tourism policies and initiatives boosting the industry...(8/9)

All India Tourist Vehicles Authorisation and Permit Rules, 2021

- In 2021, Ministry of Road Transport and Highways announced a new scheme, under which any tourist vehicle operator may apply for an “All India Tourist Authorization/Permit” through online mode.
- The scheme came into effect from April 1, 2021.
- The new rules for permit will promote tourism across various states of the country and thereby growing revenue of the State Governments.

Air bubble

- India has formalized air bubble arrangements with 17 countries, including Afghanistan, Bahrain, Bhutan, Canada, France, Germany, Iraq, Japan, the Maldives, Nigeria, Oman, Qatar, the UAE, Kenya, Bhutan, the UK, and the USA.
- In 2021, India signed an air bubble agreement with neighboring island nation of Sri Lanka under which international flights between the two nations would be allowed to operate.

Strengthening the Hospitality & Tourism Industry

- In the 2024 interim Budget, Union Minister for Finance & Corporate Affairs, Ms. Nirmala Sitharaman allocated Rs. 2,449.62 crore (US\$ 294.8 million) to the tourism sector, a 44.7% increase from the previous fiscal year. This marks a positive change from the 2023 Union Budget's initial allocation of Rs. 2,400 crore (US\$ 288.8 million) , later revised to Rs. 1,692.10 crore (US\$ 203.6 million).
- An app will be developed covering all relevant aspects of tourism. States will be encouraged to set up Unity Malls in State Capital as the most prominent tourism centres to promote One District One Product, GI products, handicrafts and products of other States.

Continued growth in investments in the tourism sector

- In May 2026, the Andhra Pradesh government announced plans to attract Rs. 20,000 crore (US\$ 2.17 billion) in tourism investments by 2029 through its Tourism Policy 2024–29, positioning tourism as a key driver of economic growth and employment generation.
- The Hotels' Association of India (HAI) stated that the hospitality and tourism sector anticipates generating 50 million direct and indirect employment opportunities in the next 5-7 years.
- MakeMyTrip revealed a partnership with the Department of Tourism, Madhya Pradesh, and redBus to boost tourism in the region, aiming for sustainable development and positioning Madhya Pradesh as a premier destination.
- Mahindra Holidays & Resorts India Ltd (MHRIL) intends to invest around Rs. 4,500 crore (US\$ 541.6 million) over the next three to four years, aiming to double its room capacity to 10,000.
- Oberoi Realty, a real estate developer, has partnered with Marriott International, a global hospitality leader, to develop two Marriott properties in Mumbai.
- Under the National Monetisation Pipeline (NMP) 2.0, the Government of India has proposed the redevelopment of Hotel Ashok and Hotel Samrat in New Delhi through PPP-based private sector investment. The project aims to modernise existing hospitality assets, with Hotel Ashok targeted for FY27 and Hotel Samrat for FY30. The initiative is expected to enhance tourism infrastructure while attracting long-term investment into India's hospitality sector.
- India has emerged as Marriott International's hotspot in the Asia Pacific region excluding China (APEC), as it celebrated a milestone year in 2025 with 99 hotel signings and over 12,000 rooms added.
- India's hotel market is shifting to rate-led growth supported by infrastructure expansion and growing domestic tourism. The sector attracted US\$ 340 million in hotel transactions in 2024, making India the second-largest hotel investment market in Asia Pacific, with over 690 new hotel projects underway.

Capital investments in the tourism sector (US\$ billion)

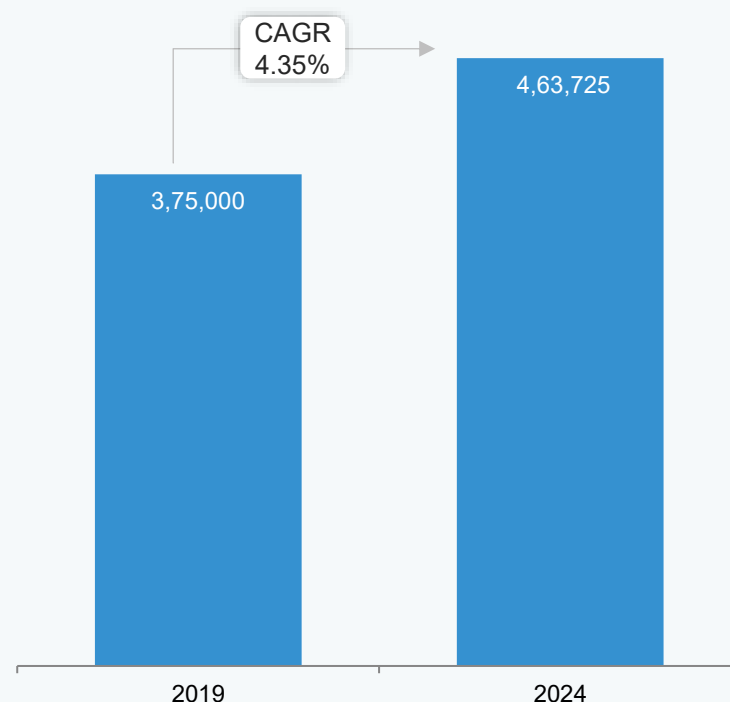

Collective Government spending on tourism (US\$ billion)

Growth in arrivals through e-Medical visa

- The Government of India launched the e-Visa on November 27, 2014, and subsequently e-Tourist Visa was initially introduced for 46 countries. As of December 2025, e-visa facility has been extended to the nationals of 172 countries for entry through 33 designated international airports, 16 major Indian seaports and 2 land ports.
- The Indian government has expanded the e-Medical Visa scheme, allowing medical treatment (excluding organ transplants) with a stay of up to six months.
- In 2024, India issued 4,63,725 medical visas, a significant increase from 3.75 lakh in 2019. Even during the COVID-19 pandemic, 1.52 lakh medical visas were issued.
- Additionally, India issued 173 AYUSH visas, 221 AYUSH e-visas, and 17 AYUSH attendant visas in 2024 to support wellness tourism under traditional medicine systems like Ayurveda and related practices.
- The e-Medical Visa, along with other visa liberalizations and initiatives like dedicated airport assistance, has contributed to over 6,10,000 medical tourism arrivals in 2023.
- The visa scheme supports nationals from over 160 countries with triple-entry and extended stay provisions.
- These visa facilitation efforts are part of the broader government strategy under the Heal in India initiative to promote India as a medical and wellness travel destination.
- The e-Tourist Visa is part of the e-Visa facility which includes an e-Business Visa, e-Conference Visa, e-Medical Visa and e-Medical Attendant Visa.
- India's medical tourism market, valued at US\$ 7.7 billion in 2024, is projected to reach US\$ 16 billion by 2030. The sector has seen significant private investment inflows and plans to add 34,000 new hospital beds by 2029, enhancing capacity for international patients.

Airlines industry set to fly higher

Low-cost airlines	▪ Growth in low-cost airlines is expected to lower ticket fares and increase connectivity. Low-cost airlines will give access to more planes, allowing airlines to provide more daily flights, new routes, and more connections on high-frequency routes. ▪ As of April 2025, 625 UDAN routes have been operationalized, connecting 90 airports (including two water aerodromes and 15 heliports) across India. ▪ More than 1.49 crore passengers have benefited from affordable regional air travel under UDAN.
Increase in international flight operators	▪ The market is likely to become more competitive due to the entry of an increasing number of international flight operators expected to offer improved services to tourists. JVs such as Air Asia and Tata SIA is already serving the Indian skies. ▪ Players like Etihad and Vistara have entered the country in the last few years.
Increasing number of airports	▪ India is planning to build 50 new airports in the next five years starting 2025. ▪ The government is also planning to establish Delhi as a global aviation hub within the next two years starting 2025.
Higher investments	▪ India's Union Budget FY26 has allocated Rs. 2,335 crore (US\$ 253.8 million) to boost its tourism sector, focusing on improving infrastructure, skill development, and travel facilitation through measures like developing 50 top tourist destinations, offering MUDRA loans for homestays, enhancing connectivity.
Higher passenger traffic	▪ In FY26, passenger traffic at Indian airports reached 420.09 million, registering a 1.9% year-on-year growth compared to 412.09 million passengers in FY25.
